HARIN CHHATIAWALA, MD — CENTER MEDICAL DIRECTOR, PRIMARY CARE PROVIDERS

“[Patients] should always expect their visits to be courteous and unhurried.”

About Harin Chhatiawala, MD — Center Medical Director, Primary Care Providers

Dr. Harin Chhatiawala, MD is the Center Medical Director for IntuneHealth's Fort Myers Gladiolus center. He chose to work with older adults after taking care of them early on in both medical school and his residency. Dr. Chhatiawala was also very close to both of his grandmothers, and he saw them spend their last days in a home. “Helping take care of [older adults] has been a passion that is frequently recognized by my patients,” he says.

During his free time, Dr. Chhatiawala enjoys photography, hiking and playing table tennis.

Additional Medical Skills

Dr. Chhatiawala is proficient in wound care; joint pain workup and non-surgical management; polypharmacy management (decreasing pill-burden); and the treatment of resistant hypertension.

Fun Fact

Dr. Chhatiawala is talented with repurposing leftover wood pieces. A few years ago, he modeled, designed and constructed a full-sized treehouse.
